## ***Command Alkon becomes “Certified Industry Partner” with Trimble Mobile Resource Management***

---

**Birmingham, AL – January 12, 2009:** Command Alkon, a global leader in integrated solutions for the construction materials industry, is pleased to announce the signing of a formal agreement that makes Command Alkon a “Certified Industry Partner” of Trimble Mobile Resource Management (TMRM). This agreement allows for joint sales efforts and strengthens the relationship between companies for CAI Dispatch and Truck Tracking software and TMRM GPS statusing and asset tracking products. It allows both companies to continue their efforts in providing the best technical solutions jointly to their customer bases and to the Construction Materials Industry.

### About Trimble

Trimble Navigation Limited applies technology to make field and mobile workers in businesses and government significantly more productive. Solutions are focused on applications requiring position or location—including surveying, construction, agriculture, fleet and asset management, public safety and mapping. In addition to utilizing positioning technologies, such as GPS, lasers and optics, Trimble solutions may include software content specific to the needs of the user. Wireless technologies are utilized to deliver the solution to the user and to ensure a tight coupling of the field and the back office. Founded in 1978 and headquartered in Sunnyvale, Calif., Trimble has a worldwide presence with more than 3,600 employees in over 18 countries.
